

[illegible]

The figure displays a set of architectural drawings for a project titled 'Casa di S. Maria'. The drawings are organized into two main sections, 'Pannello 1' and 'Pannello 2', each showing a different view of the building.

Pannello 1: This section includes a 3D perspective view of the building, showing its yellow facade and dark roof. Below the perspective view is a longitudinal section drawing, which shows the internal structure and the relationship between the building and the surrounding environment. The section is labeled 'Via Lamiomora' and 'Via San Michele'. The scale is indicated as 'Scala 1:200'.

Pannello 2: This section includes a 3D perspective view of the building, showing its yellow facade and dark roof. Below the perspective view is a longitudinal section drawing, which shows the internal structure and the relationship between the building and the surrounding environment. The section is labeled 'Via Adua' and 'Via San Michele'. The scale is indicated as 'Scala 1:200'.

The drawings are presented on a white background with black lines and text. The 3D views are rendered in a simple, clean style, focusing on the building's form and color. The section drawings use red lines to highlight specific structural elements and blue lines for other details. The overall layout is clear and professional, typical of architectural presentations.
