

[illegible]

The figure displays three architectural proposals for a building in the Via Don Milani area. Each proposal is shown from three perspectives: a 3D perspective view, a floor plan, and a section view.

- Progetto A:** The 3D view shows a building with a stone base and a yellow upper section. The floor plan highlights a red rectangular area. The section view shows the building's profile relative to the street level.
- Progetto B:** The 3D view shows a building with a stone base and a yellow upper section. The floor plan highlights a red rectangular area. The section view shows the building's profile relative to the street level.
- Progetto C:** The 3D view shows a building with a stone base and a yellow upper section. The floor plan highlights a red rectangular area. The section view shows the building's profile relative to the street level.

The drawings are labeled with street names: Via I maggio, Via Parrocchia, Via Don Milani, and Via Vlandanti. The section views are labeled with 'p.m.' (piano terra) and 'p.s.' (piano superiore).
